PG L2140 PG L2145 & PG L2150

Compact and robust, the PG L2140, PG L2145 and PG L2150 mono A4 laser printers are the ideal solution for **heavy-duty workloads**, with their respective print speeds of 40ppm, 45ppm and 50ppm.

These mono printers are reliable, versatile, easy to handle and simple to use, delivering highly professional levels of performance at a **competitive** price. They are designed to meet the needs of any workplace from small to medium-sized businesses to large corporations and public sector agencies.

The use of **long-life**, **top-quality genuine consumables** guarantees higher productivity, lower maintenance costs and reduced impact on the environment. Support for a **variety of paper formats and weights**, combined with the **large capacity** of the optional paper trays, means these printers suit the most diverse printing requirements.
